TERMS AND CONDITIONS

PARTICIPATION IN THE ICONIC EXPERIENCES SHOW 2022

1. The participation agreement

1. The participation agreement implies that TIES, against payment of the participation fee, for the period of the exhibition concerned, assigns a specific stand space to the exhibitor.
2. These Terms and Conditions form an integral part of the participation agreement.

3. In case the participation agreement relates to several stand spaces, the provisions contained herein shall apply to each individual stand space.
4. Any requirements, changes and additions made by the exhibitor on the binding registration form, or the quotation, and any other arrangements deviating from or additional to these Terms and Conditions do not form part of the participation agreement, unless confirmed by TIES in writing.
5. The exhibitor is fully responsible and liable for compliance with all obligations resulting from the conclusion of the participation agreement.
6. The exhibitor declares that he will accept all of the consequences that ensue from the signing of the binding registration form, or of the quotation, even if the form has been signed by a person not officially authorised to sign the form.
7. Following the signing of the binding registration form and prior to the conclusion of the participation agreement in accordance with article 1.7, the term 'participation agreement' in these Terms and Conditions will be understood to mean 'binding registration form' and 'exhibitor' as 'the registrant'.
8. If TIES has stipulated a term for submission of a document by the exhibitor, the date of receipt of the document by TIES will be decisive.
9. Upon submission of the signed binding registration form or the quotation signed by the exhibitor, the exhibitor may cancel his registration only in one of the cases listed in article 5.
10. The exhibitor cannot rely on verbal acceptance of his registration.
11. The exhibitor may not transfer his registration to a third party.
12. Without prejudice to the provisions contained in article 17.1, these Terms and Conditions govern the legal relationship between TIES and the exhibitor only. Unless determined otherwise, third parties, including co-exhibitors, cannot derive any rights from these Terms and Conditions.

2. Dates, times and exhibition venue

1. TIES will determine the dates on which, and the venue in which the exhibition will be held, as well as build-up and breakdown times and the exhibition's commencement and closing dates and times.
2. As per the current plan, the show days are – a) 15th October – setup day b) 16th October – inauguration day c) 17th October – closing day by 4:00PM in the evening. Further details will follow in the Show Manual/Directory.
3. TIES is entitled to change the established dates, times and/or venue or to decide to abandon an exhibition.
4. Upon changes in the established dates, times and/or venue the participation agreement remains fully effective.
5. Under no circumstances will the exhibitor be entitled to compensation for any costs incurred or loss or damage sustained due to a decision as referred to in paragraph 3 of this article.

3. Allocation of stand space

1. Throughout the agreed period, the exhibitor will be entitled to use the stand space allocated by TIES in the confirmation of participation. The site, floor space and type of stand space allocated by TIES will be binding.
2. TIES has the right to reassign stand space and to revise the stand space allocated to an exhibitor, or to change or revise groupings at all times prior to the exhibition's commencement. In such a case, TIES will make an effort to offer the exhibitor comparable stand space in terms of floor space, on the understanding that the resulting participation fee will not deviate more than 10% from the original participation fee.
3. All costs to be made by the exhibitor relating to the reallocation of stand space, as stipulated by paragraph 2 of this Article, will be at the exhibitor's expense.
4. Cancellation by the exhibitor as a result of the provisions contained herein is possible only in one of the cases listed in article 5.

4. Payment

1. Unless the invoice in question specifies an alternative due date the participation fee and all other monies payable shall be paid within fourteen days of the invoice date without any discount or setoff.
2. TIES has the right to invoice as soon as the participation agreement has been concluded. Definitive invoices may be preceded by a provisional invoice.
3. The exhibitor will be liable for all costs payable to TIES that are in any way related to the exhibitor's participation, regardless whether the said costs have been incurred by the exhibitor or by a third party acting on the exhibitor's behalf.
4. In the event of late payment of any sum payable to TIES interest will be charged at the statutory rate from the date on which the sum in question was originally due and payable. Any collection costs are to be borne by the exhibitor with extrajudicial collection costs being set at 15 % of the principal sum.
5. TIES has the right to set off payment for participation against sums still outstanding from previous participations by the same exhibitor.
6. If the exhibitor fails to pay the participation fee or any other monies payable to TIES (in full) prior to the commencement of the set-up period, despite a written or verbal notice or notice of default, TIES has the right to deny the exhibitor access to the (set-up of the) exhibition and/or to regard the participation agreement as terminated with immediate effect. In such a case the exhibitor will still be required to pay the participation fee and all other monies payable to TIES in full without being entitled to compensation of any costs incurred and/or loss and damage sustained due to his being denied access to the exhibition and/or termination of the participation agreement.

5. Cancellation and termination

1. Besides the grounds mentioned in paragraphs 2 to 4 inclusive of this article, the exhibitor may cancel his registration by submission of the binding registration form or participation agreement only with due observance of the following payment

schedule: - Request for cancellation must be made in writing to the conference secretariat by 05th Aug 2022. 25% of the total cost of stall sponsorship will be deducted if cancellation is made before this date, after which no refund request will be processed.

2. If after a reallocation of stand space by TIES, TIES does not offer the exhibitor a comparable stand space (in accordance with the criteria stipulated in article 3.2), the exhibitor has the right to cancel the participation agreement free of charge. Cancellation shall be effected in writing by registered letter within 14 working days from the date of the written proposal by TIES containing the alternative stand space(s).
3. If at any time following the conclusion of the participation agreement the exhibitor applies for suspension of payments or files for bankruptcy, the participation agreement may be terminated by TIES by the mere occurrence of such application or filing and the exhibitor will be required to pay the participation fee in full as well as any other costs related to his participation incurred by or on behalf of TIES at the exhibitor's request, without prejudice to TIES' right to claim costs, compensation for loss and damage incurred and interest.
4. If at any time after the conclusion of the participation agreement TIES has sound reasons to assume that the exhibitor's participation in the exhibition will somehow prejudice TIES, the exhibition or other exhibitors, TIES will have the right to terminate the participation agreement by registered letter with immediate effect. In that case the exhibitor will still be required to pay the participation fee in full as well as any other costs incurred by or on behalf of TIES at his request in connection with his participation, without prejudice to TIES' right to claim costs, loss and damage and interest.
5. Cancellation or termination of the participation agreement on account of this article will never constitute cause for compensation by TIES to the exhibitor for any costs incurred or loss or damage sustained.

6. Additional products and services

1. TIES can offer additional products and services for the exhibition, whether or not against payment.
2. Unless determined otherwise, these Terms and Conditions apply also to any additional products or services supplied by, or on behalf of TIES. Unless determined otherwise, the general terms and conditions of delivery issued by any third parties engaged to provide such additional products or services do not apply.
3. If and to the extent applicable, TIES will determine the way in which publicity listings are to be edited, and reserves the right to abridge the exhibitor's details if necessary or to alter details submitted by the exhibitor in any way that it sees fit, without stating reasons, if necessary.
4. If the exhibitor wishes to refer to products and/or services offered by him in his publicity statements, he may refer to products and/or services only that come under

his delivery schedule and which - in the opinion of TIES - also fall under the exhibition programme of the exhibition concerned.

7. Stand construction and stand design

1. The exhibitor is required to (instruct a third party to) construct and design his stand during the designated days and times with due observance of the regulations and instructions issued by the venue lessor except the 3x3 square meters stall and 2x2 square meters stalls which shall be constructed by TIES on its own expenses.
2. Unless determined otherwise in the participation agreement, the stand space will be made available to the exhibitor without any stand construction, fittings, furniture or any other (technical) facilities.
3. In designing the stand space, the exhibitor shall comply with the provisions set out in these Terms and Conditions, other (safety) instructions issued by TIES, regulations issued by the venue lessor, and government and free regulations.
4. Upon request the exhibitor shall present all plans, designs and/or models for stands to TIES for approval by the date specified by TIES at the latest. Only after such approval has been obtained may the set-up be commenced. TIES reserves the right to withhold its approval, without stating reasons if necessary.
5. The stand shall have a standard height of 250 cm. Both sides of the stand shall be finished up to their full height.
6. Unless the exhibitor has been allocated a corner stand, head-of-aisle or island stand, the exhibitor shall install a rear wall and two sidewalls. Corner, peninsula or island stands shall be designed as such. In corner stands the installation of a rear wall is mandatory. In island stands each aisle side may be built up fully in conformity with the provisions contained in paragraph 7.
7. Fixtures and components will be permitted up to 50 % maximum, with a restriction of 5 metres, of the walls exposed to aisles.
8. Regarding the stand construction TIES reserves the right to issue alternative instructions.
9. TIES will demarcate the stand space by means of markings on the floor and may also post an identification sign on the stand. The place and manner of demarcation or signposting will be determined by TIES. The exhibitor may not remove, relocate or alter such identifications.
10. If in the opinion of TIES the design and/or set-up of the stand space is likely to be not completed by the end of the set-up period TIES has the right to take whatever measures it deems fit at the exhibitor's risk and expense.

8. Exhibited products

1. The exhibitor is required to stock the stand space with a sufficient range of products and also to staff the stand space with an adequate number of personnel throughout the duration and during the opening times of the exhibition.

2. The exhibitor does not have the right to exhibit or otherwise recommend products in the stand space, other than those mentioned in the participation agreement and/or other than those that fall under the official exhibition program.
3. During the entire period of the exhibition, including the set-up and breakdown periods, the products displayed by the exhibitor are at the exhibitor's own risk and expense. TIES rejects all liability for damage to or loss or theft of products from the exhibitor.
4. TIES will refrain from any involvement in any disputes between exhibitors, including disputes regarding intellectual property rights.
5. Without prejudice to the provisions contained in paragraph 4, the exhibitor may not, in view of the exhibition's success, display products or use a certain trademark or brand, if such display or use constitutes an infringement on the rights of any third party.
6. At the request of TIES the exhibitor will be required to prove that he has the right to display certain products or to use a certain trademark or brand. If it appears that the exhibitor acts in breach of the preceding paragraph, or if he cannot comply with the request of TIES, TIES has the right to (cause others to) remove those products at the exhibitor's risk and expense and to take all other measures it deems fit. In such a case, the exhibitor will not be entitled to any compensation whatsoever from TIES for costs incurred or loss or damage sustained.

9. Use of the stand space

1. The exhibitor may not: a) assign all or part of the use of the stand space to third parties or to use the stand space or allow the stand space to be used for a purpose other than the purpose described in the participation agreement. b) use the stand space in a way that causes nuisance to other exhibitors or visitors in the form of noise pollution, obstruction of entrances or aisles, blocking of light or obstruction of the sight lines or nuisance in any other form at the discretion of TIES. c) use open, following, spraying and/or atomised water to demonstrate products in or near the stand space, unless with the express consent of TIES and the venue lessor. The exhibitor shall strictly comply with all the relevant instructions. d) use equipment, machines, heaters, fireplaces, etcetera with an open frame in or near the stand space, unless permitted explicitly or made available by TIES. e) use or store dangerous substances and/or goods, including mildly flammable substances, gasses or chemical pesticides or radioactive substances in or near the stand space. f) position or install goods, furniture, hanging signs or advertising materials in the broadest sense of the word outside, over or at the back of the stand space. g) distribute or offer flyers or other advertising materials outside the stand space. h) produce photographic, film or video recordings of objects other than the exhibitor's own stand space, which right is reserved exclusively for TIES. i) demand an entrance fee or any other fee from visitors for the right to visit the stand space or to attend demonstrations or performances within the stand space. j) stage activities in or around the stand space which, in the opinion of TIES, are likely to be detrimental to

the exhibition in general, such as activities that are likely to be offensive to certain (groups of) people, activities that contravene law or public order or offend public morality or activities that are likely to otherwise affect the image of the exhibition in some other way. k) sell any product to visitors during the exhibition against the (virtually) simultaneous issuing of the product sold, unless such transactions are specifically authorised in writing by TIES, or if direct sales are customary in view of the character of the exhibition. l) (cause others to) conduct surveys among visitors to the exhibition unless with TIES' explicit written consent.

2. Unless the venue lessor has issued binding instructions in this respect, the exhibitor will be responsible for supervising his stand space and the products in it.

2. The exhibitor is required to restore the stand space to its original condition. Any damage to goods belonging to TIES and/or the venue lessor shall be paid by the exhibitor.
3. Any goods left behind, including waste, will be removed at the exhibitor's risk and expense.
4. The provisions of this article concerning the breakdown of the stand do not apply if the exhibitor has purchased stand construction as part of a stand construction package.

2. TIES may grant the exhibitor the right to use the brand (name), logo(s) and/or exhibition image(s) for promotional purposes. In such a case the exhibitor is entitled to use those trademarks and/or pictures only in the form provided by TIES. Consequently, the exhibitor may not use those trademarks and/or pictures for purposes other than to promote the exhibition or to distort them in any way.

3. In case of breach of the provisions contained in paragraph 2, the exhibitor shall, at the first request of TIES, immediately cease the use of the trademarks and/or images concerned.

14. Privacy

1. Personal data will be exchanged between TIES and the Exhibitor in the performance of the participation agreement. Both parties are regarded as controllers in respect of their own processing of those personal data within the meaning of the applicable privacy regulations, including the General Data Protection Regulation (“GDPR”).

4. The Exhibitor processes the personal data that it receives from TIES under the participation agreement, for instance by scanning badges during a visit to an exhibition, only with a view to the provision of the services agreed on with TIES.
5. The Exhibitor will in no event and in no manner make those personal data available to third parties, unless the performance of the participation agreement with TIES or the law so requires.
6. The Exhibitor indemnifies TIES against all claims, loss, costs, penalties and fines, both in and out of court, directly or indirectly related to breach of the participation agreement or breach of the applicable laws and regulations in the field of the protection of personal data, including the GDPR.

15. Additional instructions and deviations from the Terms and Conditions

2. The exhibitor is required to strictly comply with all instructions issued under paragraph 1 by TIES and furthermore with all regulations issued by the venue lessor and government regulations (including fire regulations).
3. In the event of a conflict between these Terms and Conditions and any other regulations issued by TIES, the venue lessor or the government, the exhibitor shall contact TIES. TIES will then decide which provision prevails in that particular case.
4. In the event of conflicts between the provisions set out in these Terms and Conditions and the conditions accompanying the binding registration form, the latter will prevail.

16. Liability

1. The provisions set out in these Terms and Conditions apply mutatis mutandis to all third parties engaged by the exhibitor in connection with his participation in the
